-

- 2 Declarations of Interest**
Nothing declared.

- 3 To consider issues raised on facebook.**
- a. A complaint was noted concerning the rotten state of the boundary fence.
The committee found no evidence of rot in the fence.
However it was recommended that the CMO should clean the fence and paint with wood preservative.
 - b. It was also noted that the protective sleeve around the chain of the swing needed attention.
The CMO will be asked to cut the sleeve at the bottom and drop to cover the chain.
 - c. It was agreed that a playground sign should be provided.
 - d. It was agreed that a waste bin should be provided.
 - e. The complaint concerning the height of the lower step to access the climbing equipment was considered.
The committee agreed that this was a safety feature to prevent very young children accessing the equipment without adult supervision. Therefore no action was required.
