

PELENNNA COMMUNITY COUNCIL

COMMUNITY VEGETABLE GARDENS

MILES FIELD

The Community Council has built three raised beds at Miles Field to grow Community vegetables.

A volunteer, or team of volunteers is urgently required to plant and maintain vegetables which will be donated to local residents who will benefit from them.

All costs involved – Seeds, Plants, compost, and fertiliser etc will be provided by the Community Council.

This is an opportunity which will be of interest to Community minded people who wish to make a contribution to their local community, and will enable them to gain valuable experience and satisfaction.

Advice and support could initially be made available to successful volunteers.

Please send your expressions of interest to:

The Clerk, Pelenna Community Council:
